Summary

I am currently pursuing a Bachelor of Technology (B.Tech) in Computer Engineering at ZES's Zeal College of Engineering & Research, Pune, after completing my Diploma in Computer Engineering from Government Polytechnic, Jalgaon, with 89.12%. I am passionate about technology, programming, and continuously learning new skills in the field of computer engineering. My technical interests include programming languages such as C, C++, Java, and Python, along with web technologies and software development. I enjoy solving problems, building practical projects, and exploring new technologies. I am continuously working to strengthen my technical knowledge and gain hands-on experience through academic projects, learning opportunities, and professional experiences. I am looking forward to opportunities where I can learn, grow, collaborate with others, and contribute to meaningful technology-driven projects as an aspiring software and technology professional.
